We protect your income in case of accident

At Zurich we know that the prospect of having an accident is often a major worry for someone who's self-employed. Because a day off work is a day of lost earnings. So at Zurich we ensure a level of income for you and your family with **Zurich Self-Employed Accident**.

For your convenience, compensation paid in advance

Many self-employed people have an accident as a result of their day-to-day work: fractures, burns, sprains, etc. So we calculate the daily compensation you should receive and we advance it immediately:

- In a lump sum.
- Without medical checks.
- Without having to go anywhere.

Covers subject to the terms and conditions and the schedule of the policy.

And of course we guarantee you will have the best covers

In order to maintain your peace of mind and that of your family, we guarantee payment of the agreed benefit in the following circumstances:

- Death due to accident or traffic accident.
- Permanent disability due to accident or traffic accident.
- Temporary disability due to accident.
- Healthcare costs due to accident.
- Death due to heart attack.

You can choose the daily compensation amount based on your income
